

1. INT.LIVING ROOM- DAY

JJ sits next to Toya who's still in shock.

TOYA

...So...how was your day?

JJ

Great! They posted the interview online.

(JJ shows Toya the video with the headline Estupido )

TOYA

Do you know what estupido means?

JJ

Es means is, so I imagine Tupido means perfect.

TOYA

My love.

(Toya smiles lovingly, then frowns)

JJ

When you frown, you keep yourself down.

(JJ puts happy face sticker on Toya)

TOYA

I'm serious, JJ, I didn't think I'd have to start over this late in my life.

JJ

But you're only 27.

Room mate comes out of room to retrieve refrigerated product placement.

TOYA

How was your day?

Room mate opens product placement, shrugs, drinks, walks back to room.

JJ

How about we make you a new profile pic for LinkedIn. I'll

show you my process.

TOYA

Mmm. Sure.

2. **INT. LIVING ROOM - DUSK**

JJ has turned the living room into a make-shift movie set, with flashing lights and a smoke machine. Toya is wearing make-shift robot costume.

TOYA

Do I really need to wear this.

JJ

Of course. It's part of your character's motivation. Now repeat after me: I'm a cog in the machine.

TOYA

I'm not doing that.

JJ

Come on. Opportunity is just a doorbell ring away.

At that moment a strange flash of light can be seen through the window accompanied by the doorbell ringing.

TOYA

I don't want to do this anymore.

JJ

Keep that energy. I'll be right back.

JJ then goes to open the front door. Initially he doesn't see anything, but then looks down to see a strange creature on the porch.

TOYA

What is it?

JJ

Opportunity.

The creature then tries to bark, but weezes followed by a trail of slime.

TOYA

(Startled)

What is that?

The creature curses after burping slime and the curse is censored.

TOYA

(Pointing to the  
censor bar)

And what is that?!

The smoke machine sets off the fire alarm as the two characters stare at the creature.
